

LOVE Letters All Day or Evening Only Hire):

Features

Hand Crafted 4ft High illuminated LOVE Letters

Hand painted white finish & hand made 'Rustic' letters available

Traditional white light on white letters or many other colours - 'warm white' only on the rustic.

LED Bulbs - safer, as the bulbs do not get hot (like many other giant letters that use standard glass bulbs)

Benefits of our LOVE Letters:

Fantastic venue decoration

Amazing photo opportunity

Combined with our Up-lighting, you can totally transform the look of the venue, creating an incredible "Wow" factor

Delivered and set up by a smart, courteous dedicated member of staff.

Tall 4ft letters - More striking than the 2ft or 3ft alternatives

LED Letters stand out without being overpowering, and do not emit intense heat like standard light bulbs

Please don't hesitate to contact us should you require any further information.
